## Objective

To obtain a position as a Physician Assistant in order to work independently as well as with physicians to provide quality care to patients. I look forward to a demanding career that will allow me to utilize my training and educate patients on preventative care and the importance of their health.

## Clinical Experience

- Clinical Rotations: Family Med, Internal Med, Emergency, Psychiatry, Pediatrics, Women's Health, Surgery, Dermatology (Elective)

## Medical Work Experience

- Medical Scribe and Assistant – Center for Bone and Joint Disease, Hudson, FL
  - January 2017 – September 2021
  - Orthopedics: Spine, hand, pain management, hip, shoulder, sports
- Medical Scribe – Medical Scribe Alliance, Tampa, FL
  - March 2014 – December 2016
  - Dermatology, ENT, emergency, hand surgery

## Education

- Master of Physician Assistant Studies – South College Atlanta, December 2023
- Master of Medical Science – University of South Florida, December 2020
- Bachelor of Science: Biomedical Science – University of South Florida, May 2014

## Certifications

- NCCPA Certified PA – January 2024 – present
- California Board PA License – February 2024 – present
- ACLS – December 2022 – present
- BLS – March 2014 – present

## Skills

- Dermatology: Total body skin exams, shave/punch biopsies, cryotherapy, excisions, suturing, ED&C, Xtrac, MOHS
- As a scribe and during my clinical rotations I have mastered several EHR systems and understand how to document conditions properly to ensure insurance coverage and authorization for procedures.
  - EMA, Epic, Cerner, eClinicalWorks, Greenway Intergy, AdvancedMD, PracticeFusion, Athena, AllScripts

I am writing to express my strong interest in the dermatology physician assistant position. With a deep passion for dermatology, a strong foundation in medical knowledge, and a dedication to providing quality patient care, I believe I am well-suited for this role.

As a PA student and prior experience as a medical scribe, I have had the privilege of working in and completing a clinical rotation in medical dermatology as well as cosmetic dermatology. I have accumulated over one year of clinical experience in dermatology, mainly as a scribe, but also as a clinician during my rotation. This has provided me with a solid foundation in clinical skills, patient assessment, and treatment protocols, which are crucial for a dermatology PA.

What truly sets me apart is my genuine passion for dermatology. I am committed to staying up-to-date with the latest advancements in the field and will actively seek opportunities to expand my dermatological knowledge through relevant certifications and CME courses. I am excited about the prospect of applying this expertise to provide comprehensive dermatological care to your patients.

In addition to my clinical skills and knowledge, I possess excellent interpersonal and communication skills. I understand the importance of building trust and rapport with patients, ensuring they feel comfortable and well-informed throughout their treatment journey. I am half Colombian and speak fluent Spanish which allows me to better communicate diagnoses and treatment plans with Hispanic patients. I also identify as a homosexual male which will encourage other homosexuals that might not be comfortable seeking care to seek out care from someone they feel will fully accept them. Furthermore, I am a strong advocate for patient education and proactive skin care.

I am eager to contribute my skills and enthusiasm to your team and be a part of the clinic's continued success.

Enclosed is my resume, which provides additional details about my professional background. I can provide my dermatology rotation patient logs to give you an idea of what I've seen. I would welcome the opportunity to discuss how my experience and dedication align with your clinic's needs. Please feel free to contact me at 813-785-5579 or via email at [bfordlively@gmail.com](mailto:bfordlively@gmail.com) to schedule an interview.

Thank you for considering my application. I look forward to the possibility of working at your practice and contributing to your esteemed dermatology practice.

Sincerely,

Bradford Lively, MMS, MPAS, PA-C
